

1 says, "That's Stephe from Calvary. Stephe from  
2 Calvary."

3 Q. Oh, a classmate from when you went to Calvary?

4 A. Yeah, First Grade. We got in trouble. Yep. We got  
5 in trouble.

6 Q. Well, you know something, Steph? Even if you went to  
7 live with your Dad, you'd have to go to public school  
8 someplace.

9 A. Not Baker.

10 Q. Well, you're going to Baker now. I don't know whether  
11 it would be Baker or not. I don't think you'd ever be  
12 home schooled. In fact, I'm almost sure you wouldn't  
13 be home schooled. We talked about that. Aunt Diane  
14 sat right here in front of Mr. Consiglio and said she  
15 can't home school you.

16 AFFIRMATIVE

17 Q. No, she can't. She's not allowed, and nobody here has  
18 anything to do with that. That's the rules. She  
19 can't home school you.

20 A. Maybe that shouldn't be the rules.

21 Q. Well, maybe it shouldn't be the rule, but it is.  
22 There's lots of rules in this world that maybe  
23 shouldn't be what they are, but they are. Does that  
24 change your mind about living any place or where  
25 you're going to live?
