Dear Congressman Bill Shuster:

Thank you for your letter dated April 15, 2002, that you sent to Governor Mark Schweiker on my behalf. As to date I remain in anticipation that the governor will take all appropriate actions to abate the judicial misconduct in the custody case 96 GN 2139, and bring a corrupt Blair County judge to justice. To assist the governor in making a proper and just determination that would be in the best interest of all the citizens of Pennsylvania, I have sent the enclosed information to the governor's office and the United States Department of Justice.

The enclosed documents depict a very blatant and chronological ongoing criminal conspiracy to protect Judge Hiram Carpenter from a criminal prosecution. The documents further evidence that several individuals of the Blair County legal profession are abetting this conspiracy with the intent of denying this writer and his minor child daughter their basic guaranteed Constitutional rights. In advance I thank you for your support in this matter.

Respectfully,

Robert G. Kearns, Jr.

Mr Governor Schweiker,

I am writing to you on behalf of a mutual constituent. Robert Kerns, a resident Hollidaysburg, contacted me with concerns he has about how judicial actions are administered by the Blair County Court.

Mr. Kerns is requesting an investigation into what he feels are unfair adjudication practices by the Blair County Court. As you know, the federal government has no authority over a state or county court. Rather, Mr. Kerns concerns fall under the jurisdiction of the state. For this reason, I am forwarding Mr. Kerns request to you for review and for the appropriate action to be taken.

Thank you for your attention to this matter and if I can be of assistance please do not hesitate to contact me.
